Middle School Cheerleader Guidelines and Procedures *(Tryouts for Spring 2018)* **2018-2019**

Updated January 2018

Cheerleader Guidelines Middle School 2018-2019

Purpose

The purpose of middle school cheerleaders is to promote school spirit and a positive school climate by participating at athletic events and extra-curricular activities as deemed appropriate by the campus administration and Coach. Cheerleaders are expected to be positive role models, serving as middle school ambassadors at school, in the district, and community.

The information provided in this handbook explains qualifications and responsibilities of middle school cheerleaders and mascot for non-competitive squads. A district committee whose membership included Coaches, campus and district administrators developed these guidelines. The guidelines are reviewed annually. Additional guidelines, as noted in this document, are created and published at the district's discretion with an updated month and year on the bottom right of page 1.

Score sheets will be handed out by the cheer coach after Spring Break.

Size of Squad and Special Positions

Size of Squad

- The maximum number of cheerleaders on an eighth grade cheerleading squad is 12.
- The maximum number of cheerleaders on a seventh grade cheerleading squad is 12.

Special Positions

- **Mascot** -- Candidates wishing to try out for mascot will try out the same night as candidates trying out for cheerleader. The same judges who judge cheer candidates will judge mascot

candidates. The qualifications described in this document will be used to govern the mascot. In the event a mascot is not chosen at the time of tryouts, the campus has the discretion to put a mascot in place as needed.

- **Alternates** -- Alternates are not named. If a vacancy in a cheerleading squad occurs two or more weeks prior to the first day of the school year, the vacancy will be filled by naming the student with the next highest composite score, assuming that student still meets the qualifications and desires to make the necessary commitments. At the time a vacancy is filled, uniform and accessories will be ordered at parents' expense (except what is provided by the school). If a vacancy occurs less than two weeks before the first school day or after the school year begins, it is the campus's discretion whether the position will be filled in the same manner as noted in above paragraph..

All candidates earning a position on the Cheerleading Squad for the next school year must continue to meet all of the above stated "Required Qualifications to Tryout" for the remainder of their present school year. Failure to meet these requirements will result in immediate forfeiture of their position on the Cheerleading Squad. Actual activities for the "new" Cheerleading Squad will be determined and defined by the campus Cheerleading Instructor and principal. These activities may begin immediately upon announcement of cheerleading tryout results. All candidates earning a position on the Cheerleading Squad and their parent or guardian must attend an informative, mandatory meeting that will cover the responsibilities of cheerleading in Forney ISD. Candidates must bring their chromebook with them to the meeting.
