

*Congratulations  
&  
welcome to  
Black and Gold  
Theatre*

**Dear Actors -**

**Thank you to all that auditioned for FHS Black and Gold Theatre and the Bravo Company(1A/2A class) and Troupe Centerstage(production class) for the 23/24 school year! The turnout for auditions was incredible. Each of you are so talented, which made it really hard for us in deciding this year's class assignments. Please note that we did not take this process lightly. Your class placement has been shared with our counselors and is finalized. Your fall schedule will reflect where you can best serve our department.**

**First, just because you are not selected for the Bravo Company or Troupe Centerstage class, you will still be able to take a Theatre I-IV class or a Tech Theatre I-IV and you will have the opportunity to be involved in the following productions on our campus (Fall Musical, Student Directs, The Haunt, Thespians and other in class productions). If selected for Troupe Centerstage/Production Class you **MUST** be involved in all productions throughout the year including One Act Play.**

**Of course, after results are posted, many students will be ecstatic and some may be disappointed. Not every student may be assigned one of these classes and not every student that receives a class placement will be given his/her first choice. But we need leaders in all of our classes - Theatre I-IV, Tech Theatre I-IV, Bravo Company, and Troupe Centerstage. It is our hope that our students will be supportive of each other regardless of the results, and help to make this a fun and positive season for our department.**

**Again, Thank you for your audition and we are looking forward to a fun and successful season of **BLACK AND GOLD THEATRE!****

**Missy Lyda - Black and Gold Theatre Director  
Jacob Thomas - Black and Gold Tech Director**
