Forney ISD Fine Arts Family,

The District Executive Committee (DEC) has voted that District 13-5A cease all travel to out of town sporting events. This includes travel for our band and drill team groups.

We want to ensure our students receive the performance experiences they have had in previous years. Forney ISD Fine Arts is exploring additional performance opportunities for our students for the 2020-2021 school year.

Our office will continue to provide updates as we receive them.

Forney ISD Fine Arts
