Welcome to the Forney ISD All City Elementary Choir

Congratulations on being accepted into the Forney ISD All City Elementary Choir! We are excited to welcome you and your family into the program. You will become involved in a quality organization, which we hope to continually grow in reputation and prestige. This program was previously established in the past and is now in its fourth year to give musically gifted children a chance to further develop their obvious talent. As a result of this experience we hope that you will develop a great love of choral music that will last a lifetime.

As members of the Forney ISD All City Elementary Choir, students learn the discipline and satisfaction of participating in an exemplary performing group. By working together, each student becomes a vital part of a singing ensemble, experiencing the joys of hard work and fine performances. With proper behavior, great attitude, and faithful attendance our goals will be accomplished.

In order to maintain high standards of excellence and to ensure that the organization of a choir of a little under one hundred members runs smoothly, it is essential for each family to keep these dates in a convenient place. Necessary and important information concerning the basic procedures, the activities, policies and regulations of the choir will be passed out at the first rehearsal. Our schedule for this choir will be as follows with a possibility of additional performances at the end of the year:

| DATE/DAY | EVENT | TIME | LOCATION |
|-------------------------------------|-----------------------|--------------|------------------|
| February 20 th – Tuesday | Rehearsal | 4:30-6:00 | Brown MS |
